

# Indrajith A C

## Software Developer

indrajithac@gmail.com | 9048589402 | Kochi, Kerala | LinkedIn

Git Hub | Portfolio

## Professional Summary

---

Software Developer with nearly **4 years of experience** building scalable, user-friendly web applications in product-based environments. Strong expertise in **React.js, Next.js, JavaScript, and Tailwind CSS**, with hands-on experience creating reusable UI components, managing application state, and integrating REST APIs. Experienced in collaborating with cross-functional teams and deploying applications using modern cloud platforms. Actively seeking growth-oriented frontend roles.

## Technical Skills

---

**Frontend Technologies** — React.js, Next.js, JavaScript (ES6+), HTML5, CSS3, Tailwind CSS, Redux, Context API

**Tools & Platforms** — Git, Cursor AI, Lovable AI, Postman, Sanity CMS

**Cloud & Backend Exposure** — AWS S3, CloudFront, Firebase, GCP Storage, Node.js, MongoDB

## Professional Experience

---

**EGuidance Labs LLP** 

08/2022 – present | Kochi, India

*Software Developer - Frontend*

- Developed and maintained **scalable React applications** with a strong focus on **usability, accessibility, and responsive design** using CSS and Tailwind CSS.
- Built **reusable UI components and internal design systems**, improving development efficiency and consistency across multiple modules and teams.
- Implemented **global state management using Context API** and integrated **RESTful APIs** to handle dynamic data and user interactions.
- Contributed to **Fjällräven Experience**, a **Next.js-based e-commerce platform**, converting Figma designs into production-ready, fully responsive pages and integrating **Sanity CMS** for dynamic content management.
- Built a **full-featured ERP system** using **Cursor AI and Lovable AI**, implementing complete **CRUD operations, role-based access control, and interactive dashboards** as part of a modern AI-assisted development workflow.
- Configured and maintained **AWS S3 and CloudFront** for frontend deployment, along with **Firebase and GCP services** for authentication, storage, and scalability.
- Collaborated closely with **UX/UI designers and backend engineers** to ensure seamless integration and smooth end-to-end application delivery.
- Used **Git for version control** and worked within **Agile development processes**.

## Projects

---

**MemShots** 

*AI-Powered Photo Management Tool*

- Designed and implemented **AI-driven features** including face sorting, web albums, and digital invitations.

- Built and maintained a **CRM dashboard** for internal user management and campaign tracking, improving administrative control and data visibility.
- Integrated REST APIs and handled **real-time user data**, ensuring smooth and responsive user experiences.
- Improved UI performance and responsiveness across devices.

### Fjällräven Experience

#### E-commerce Website

- Developed a **Next.js-based e-commerce platform**, converting Figma designs into fully responsive pages.
- Integrated **Sanity CMS** for dynamic content management, enabling scalable and easy updates.
- Built and optimised a **multi-step registration form**, improving user engagement and data collection.
- Ensured cross-device compatibility and smooth shopping experiences through responsive UI design.

### GoViral

#### Business Promotion Platform

- Developed and optimized a **React.js web application** enabling users to run marketing campaigns and self-promote businesses.
- Implemented responsive UI components using **Tailwind CSS** for consistent cross-device usability.
- Integrated **Redux for state management**, improving application performance and user experience.

## Languages

---

- English
- Malayalam
- Tamil

## Education

---

**Bachelor of Technology (Electrical and Electronics Engineering)** 08/2016 – 08/2020  
*Sreepathy Institute of Management and Technology*

## Courses

---

**React - The Complete Guide 2025 (incl. Next.js, Redux)**  01/2025  
*Udemy.com*

**User Experience Design Essentials - Adobe XD UI UX Design**  03/2022  
*Udemy.com*

## Activities

---

**Department Coordinator for the college technical festival**  
*Panchajanya 2020*
